

IF YOUNG PEOPLE REMADE LEARNING...

The organizers of the Tomorrow campaign asked KnowledgeWorks and SLB Radio Productions to gather youths' ideas about how they might remake learning for a post-pandemic future. The youth spoke to five key elements they want for the future of learning.

Relationships with and among peers, educators and mentors involved in learning.

PERSONALIZATION OF LEARNING

Learning that is oriented around each learner's needs, interests and goals.

LEARNER SUPPORTS

Assistance and interventions that address learners' needs.

LEARNING LOCATIONS

The places and spaces where learning happens and their key features and functions.

LEARNING CULTURES

The guiding beliefs and values that shape how a learning location operates and what it feels like to be there.
